Mr. A. Imrie Dixon
Principal

Promise is a part of it. It is there when a small child rubs his eyes to greet a new world and a new beginning. It is there when a crack is seen in the wall of prejudice. There, as a foot finds the ladder leading from despair. It is there in today's history, hidden in the bold words—war, corruption, hate, riot, bigotry, greed. Promise is there.

It is there in America, confident and proud. Landing the first man on the moon—one small step, the promise of a giant step for all mankind. For one brief moment all men everywhere were breathless with hope and expectancy.

You are a part of all this, the promise for the future, not only in the quest for scientific truth and knowledge but for a better life on this small planet, for all mankind.

It is a great and fearful time to be young and to be alive. But it is a time filled with excitement and challenge to men of good will everywhere. It is truly a time of commencement, and a promise of fulfillment.

Your education which began here is a continuous thing. It is growth, growth reflected in the quality and character of your living, not just today—but on into the future.

A. Imrie Dixon

*There it rises above us, bold and bright—the moon,
the hope of man throughout eternity. Ancient peoples
worshipped it. Ancient civilizations governed their very
existence according to its phases, as they tried to learn
its secrets. They longed to reach out, to comprehend, the
mysterious ball of silver and gold.*

*Today, the moon has become the physical manifesta-
tion of a wider search, a search for understanding of
ourselves, a search for a better life. As man, through the
astronauts, reached out to touch the moon, the world—
our world—came together for a few brief moments; to
challenge, to meet a new destiny.*

*After graduation, we too shall meet a new destiny; we
shall begin our quest for knowledge and for understand-
ing of ourselves. Each of us must attempt to ameliorate
his environment—to search for a better life. Yet, one
might ask, "what is the value of reaching? Is it
worth the risks and disappointments?"*

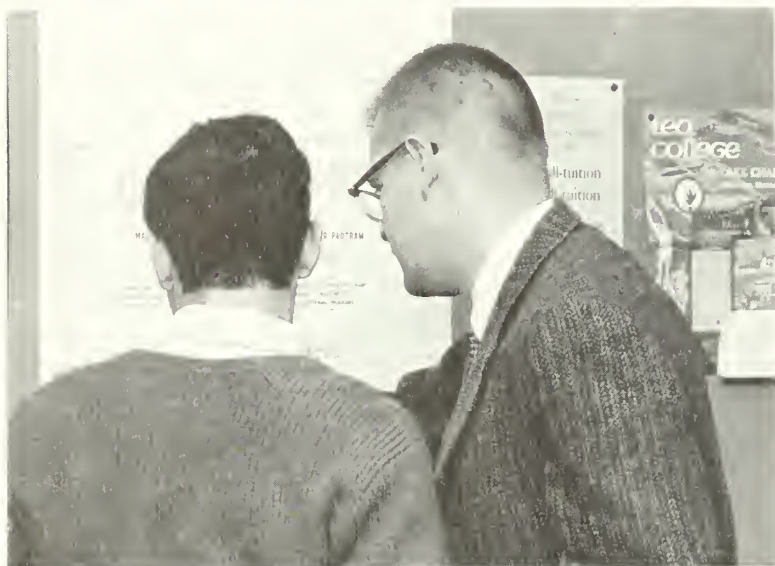

*As we search the heavens to realize our dreams, we
must each not forget the individual challenge of life here
on earth:*

*The world stands out on either side
No wider than the heart is wide;
Above the world is stretched the sky,
No higher than the soul is high.
The heart can push the sea and land
Farther away on either hand;
The soul can split the sky in two . . .*

EDNA ST. VINCENT MILLAY

May the light of our peace shine through.

Class History

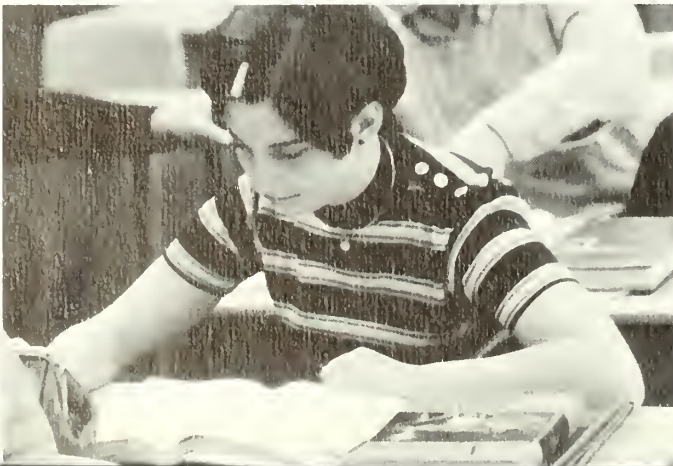

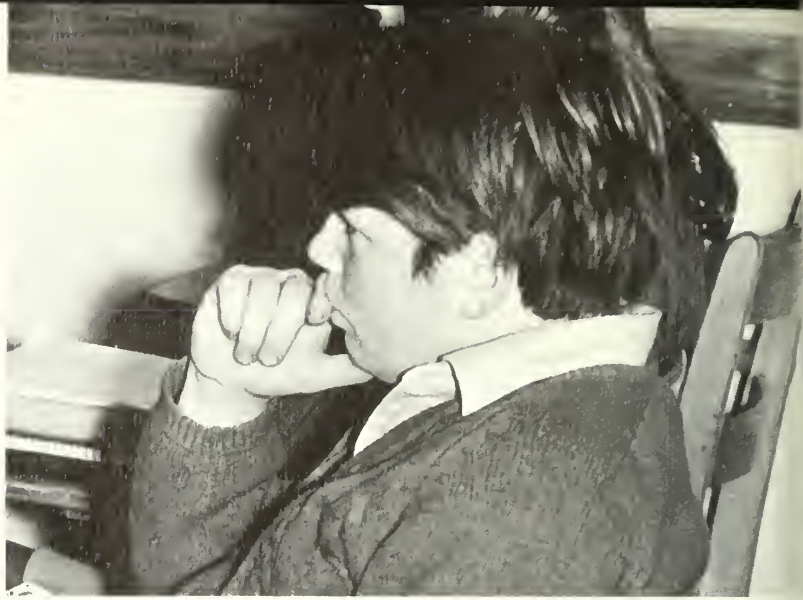

We made it! Finally Freshmen in high school. Remember that first day? "What's A Block?" "How do I get to the boys' gym?" "I can't find that elevator!" We've come a long way since then. That first year was a winning one. The Raiders and the Reading Rockets were co-champs in Middlesex League Football and our basketball team became state champs! The undefeated M.H.S. Hockey Team captured the league title for the third year in a row. In its first year in the league, our Wrestling Team fought its way to first place. The Spring Track Team ran away with the State Tournament and placed second in the "New Englands." Even our golf team was undefeated, and the Debate Team won the State Tournament and competed in the Nationals. The newly formed French, Spanish Auto and Biology Clubs and the new student literary magazine, The Thistle enabled more of us to pursue our individual interests in extra-curricular activities.

Returning to M.H.S. as "sophisticated" sophomores we saw the formation of several new organizations—a Swim Team and the English History and Pal Clubs. Pennant fever swept through the school as the Red Sox competed in the World Series. That was the year of "The Great Walkout" which resulted in our hearing(?) the Series piped over the loudspeakers—Squeak! Many M.H.S. artists were winners in the Boston Globe Art Fair. Once again, we watched the Hockey and Wrestling Teams become the league champions. The Winter Tracksters won the Class B and B.A.A. titles.

In our junior year, the administration introduced a new schedule—the Roll-On Program—which granted us privilege periods (the privilege being to sleep late in the morning or to leave school early in the afternoon). Students responded enthusiastically to the initiation of a Soccer Team. Our athletes staged repeat performances of the last year's feats. For the third straight year, the M.H.S. mat men won the league title in wrestling! The pucksters clinched the league hockey title for the fifth year in a row! The Winter Track Team successfully defended the B.A.A. title. During the winter we suffered through co-ed classes in square dancing (or was it "squares" dancing?) and the usual lunchtime bomb scares. Remember how the once hot lunch tasted afterwards? Remember how embarrassing it was shivering in the snow in a gymsuit? In the spring, Stephen Lamson and Mitchell Tow were elected to represent our class and M.H.S. at Boys' State, and Patricia Taaffe at Girls' State.

Our senior year brought an unexpected surprise. To the dismay of the boys on "The Wall" and in the lunchroom, the dress code was revised, permitting girls to wear slacks. In October, we observed Moratorium Day. Students wore black arm bands, discussed the Vietnamese War in classes, and attended an assembly featuring guest speaker Reverend Burkhart . . . Peace! We were proud to have four National Merit Semi-Finalists—Catherine Downes, Warren Graham, Alan Lakin, and Douglas McCrae—and four recipients of Letters of Commendation—Linda Butler, Irene Mrose, Lee Nyquist, and Robert Savage. Girls' athletic teams have always been a credit to our school for exhibiting good sportsmanship. The Girls' Field Hockey Team had an undefeated season. We will always remember the fun we had at the Powder Puff football game, when Holland's Tulips defeated McHale's Marauder's 8-0. The "handsome" players and "beautiful" cheerleaders were hilarious.

We look back upon the four years of trial, success, and disillusionment, but we still remember the fun of it all. In June, 1970 we reached the end of our journey and found ourselves eager to begin the next. Our four years at M.H.S. have been one great leap into adulthood, but just a small step into our own future.

Welcome to the Imprint Office, home of study hall escapees (otherwise known as editors and reporters). Led by Fearless Leader Mrs. Rosberg, with co-editors Irene Mrose and Paul Lepere, the energetic staff worked diligently to put together ten issues of the indispensable Imprint. The Imprint specializes in feature journalism, and this year it has been moving beyond the realm of school news to cover community issues. Every three weeks the Imprint Office reached a state of frenzied confusion as a new issue loomed ahead. Reporters rushed to meet deadlines, so that articles could be edited (but who edits the editors?), typed, sent to the printers, returned for layouts, sent back for the final printing, and returned at last for sale to loyal readers in the cafeteria. As a wise sign in the Imprint Office reads: "If you can keep your head in all this confusion, you don't understand the situation."

student

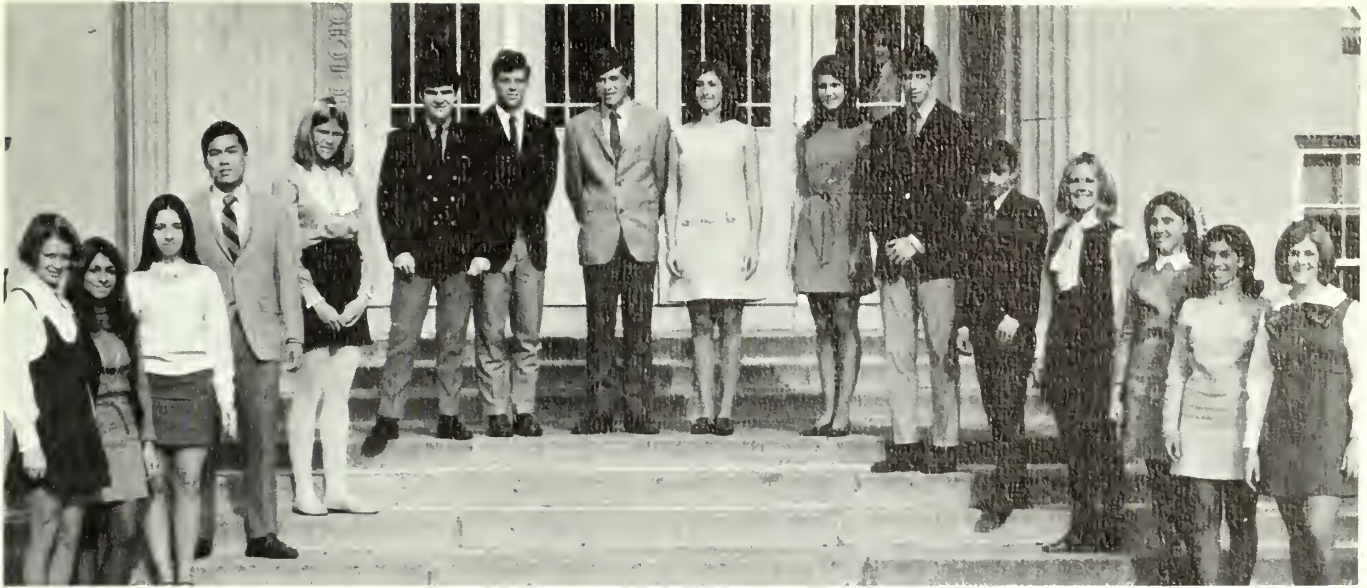

Our student government has had an active and productive year. The Student Council, headed by President Jim Munro, has made several innovations and a complete revision of the dress code to allow girls to wear slacks, for example. The Council sponsored the annual events at M.H.S., a successful Winter Ball, class elections, and a scholarship donation. Students enjoyed a Hoop-la game in February.

Working with the Council is President Tom Wright and the Student Congress. This body, made up of homeroom representatives, makes known the students' views and helps form school policy. Mr. Cole is the club's faculty advisor.

The Honor Society recognizes outstanding academic achievement. Students who earn grades that place them on the honor or high school rolls are members of the Honor Society. Each inducted member wears a gold M and receives a pass to the school library which may be used at any time.

This year, the Society formed four committees: Issues, Activities, Induction-Ritual, and Fund Raising. Under the sponsorship of Mr. Grant, Mrs. Schooley, and Miss Blanchard, the Society held its annual trip to the Pops, and at the induction in November Mayor Thomas Sullivan was the guest speaker. Through the sale of Red Raider tickets the Honor Society supports the Permanent Scholarship Fund.

The Melrose High School Debate Club is one of the most active debating teams in New England. Under the leadership of our own "Daniel T. Webster," Mr. Freeman T. Frank, the club has won numerous tournaments at various schools like U. Mass., Dartmouth, and Georgetown. At a tournament at B.C. Melrose successfully won many debates over the top debating teams in the country, and at the University of Rhode Island the team won eight awards. We were proud that our debate team represented Massachusetts in the Nationals held in Memphis, Tennessee in 1967. Our debaters have won many debate competitions and have added many new trophies to its already titanic collection.

The French Club consists of second, third, and fourth year French students who have a genuine interest in learning how to speak French more fluently and in learning about the customs and culture of France. Each year the club dines at a French restaurant in Boston, and at Christmas time the members sing French Christmas

carols at the nursing homes in Melrose. One year there was a play put on by students and a musical gathering with the Winchester High School Club. During our senior year the Club viewed the movie "Z" and ate at La Crêpe. Club advisors are Miss Heald and Mr. Nash.

el círculo español

The Spanish Club, under the advisorship of Miss Athanasoulas, began its fourth year. The club's purpose is to give members an understanding of Spanish customs and the language. Activities included a lecture on Argentina and Costa Rica given by two native students and a Christmas party held for underprivileged Puerto Rican children. For the first time, a party was held in

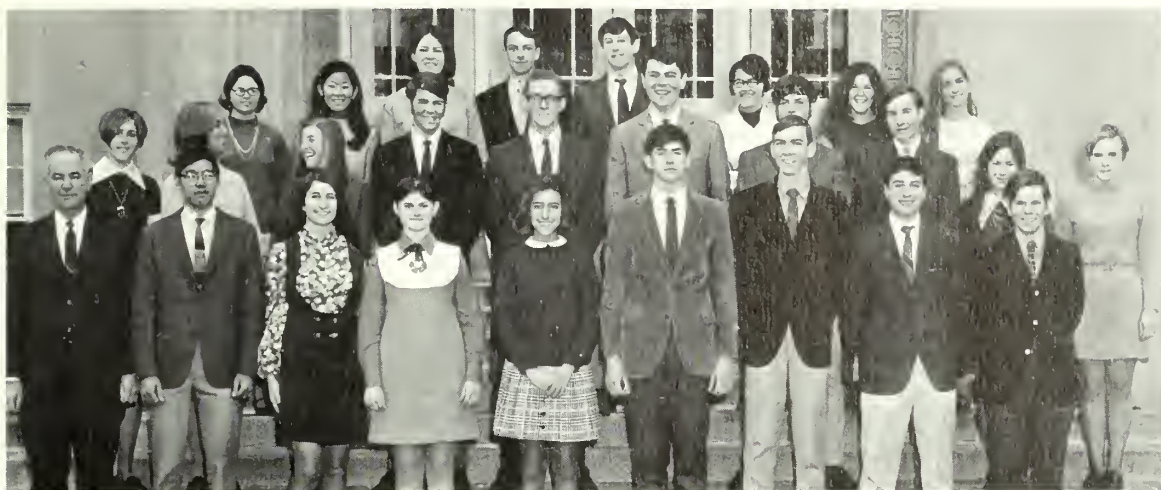

conjunction with the French Club. Native foods and traditional songs and dances were exchanged. President Nancy Kolligian planned other activities such as lectures, dining at a Spanish restaurant, and a dinner prepared by the students themselves. A great deal of enthusiasm has been shown, evidence of the Spanish Club's surmounting personality.

The Junior Classical League starts the year with the election of officers and the initiation of new members, often consisting of skits put on in Roman togas. The club, made up of junior and senior Latin students, is a social and service organization. The purpose of the club is to create a deeper understanding of the Classics by

bringing ancient times to life as at the state Junior Classical League Convention in the spring. As a service project to the school, the members sell candy and donate the proceeds to the Permanent Scholarship Fund. Mr. James Reid is the faculty advisor.

chess club

The Chess Club was formed in our senior year. Already the team has participated in matches with Lexington, Concord, Watertown, Bedford, and Xaverian High Schools. In the Watertown match, M.H.S. won 3-2. The Chess team consists of Douglas McCrae, Andrew Derry, Richard McDermod, Ken Groves, and Jeff Bowe. In the spring the Chess team participated in the National High School Chess Championship held in New York. Mr. Ramsdell is the Club advisor.

In September the Girls' Club started its year with the induction of new members and officers. For the third year, a Powder Puff Football Game was held. The members of the Club played the positions of quarterbacks, and tackles; while the boys played the roles of cheerleaders and majorettes. The score was a close 8 to 0. The Club again collected food and money for the Annual Thanksgiving Baskets. Enough money was collected to supply twenty families with food for the holiday. At Christmas many girls and their mothers attended the Girls' Club Christmas Tea. Mr. McIntyre organized a collection through the Girls' Club for needy families. As a result, Christmas was much brighter for several families. In the Spring the Annual May Breakfast was held and was greatly enjoyed by all!

glee

The Glee Club had a very active year, which reflects the singers' diligent practice. From long tradition, the Club sang at the Thanksgiving Assembly. Then, after weeks of preparation, they opened the Christmas season with an evening of Vespers, presented for the community. Vespers is a favorite for the old members of Glee Club who are invited to join the Club for a powerful rendition of "Twas the Night Before Christmas" and the "Hallelujah Chorus."

club

During the Yule season, the Club sang at the Rotary Club, and again was invited to carol at the Prudential Center. The climax of the year, as always, was the Broadway musical production. This year it was "Pajama Game"; but remember "The Boyfriend" from freshman year, and "Where's Charley" and "Paint Your Wagon"? The busy and exciting year ended with a bit of nostalgia for some when the Club sang at graduation.

m.h.s.

The M.H.S. band, under the direction of Mr. Love, provided the half-time programs at the football games. Led by Pamela Wood, they presented precision marching to the musical selections of "Johnny Come Marching Home" and others. The color guard and our Indian, Steven Belfore, added to the performances. In addition to bolstering our enthusiasm at games, the Band also provided much of the spirit at the pre-game rallies.

Having already had several successful exchange band concerts with other schools, the Band is planning another for this spring. The Band also continued its tradition of marching in the Memorial Day Parade. The season ended with their participating in graduation exercises in June.

Pal is a young club, formed in 1967 through the effort of James Pustell. The club started small—only fifteen members. In 1969–1970, the only four returning members had to vote themselves in as officers—Paul Lepere, President; Tricia Masel, Vice-President; Dawn Martin, Secretary; Gregory Dee, Treasurer. The club

has grown to sixty-five members, who work through Mr. Cook at the Administration Building to find an elementary school child who needs a friend. A club member takes his pal out once a week and through the one-to-one personal relationship, the two become special friends.

Through the fantastic efforts of the advisors, Mr. Messenger, Mrs. Marlow, and Miss Packer, the Biology Club went into its fourth successful year. Throughout the year the club members have tramped through mud and grass at Plum Island, made various trips to Mass. General Hospital, invited guest speakers to speak monthly, participated in an exchange program with

Newton High, and held fund-raising car washes. At the end of each year the Biology Club winds up with lectures and films on various subjects which continue throughout the day allowing every student to benefit. Because of its increasing popularity, the Biology Club is assured of an even greater success in the future years.

nursing club

The newly formed Nursing Club was established in our senior year. A Mother and Daughter Tea was held; and the guest speaker was Miss Theresa Chooporian, nursing instructor at Boston University School of Nursing. The members made many trips to various colleges

and schools of nursing to learn more about nursing requirements, degrees of nursing, and the opportunities and rewards of this profession. The officers were President Kathleen Tirrell; Vice President, Gail Troughton; Secretary, Ann Bernard; and Treasurer, Liz Socorso.

Once again the Drama Club opened their 1969-1970 year with a traditional pot luck supper followed by wonderful entertainment provided by members. The November audience enjoyed scenes from *Uncle Vanya*, *Plaza Suite* and *You're a Good Man Charlie Brown*, and an anti-war film produced and presented by alumni Steve Case and Joe Gregory. Under the direction of Mr. Glynn and the leadership of officers Mark Steeves, President; Nancy Foote, Vice-president; Linda Hendrickson, Secretary; and Treasurer, James Sunderland, the club enjoyed another prosperous and successful year. *The Odd Couple*, presented in February, was warmly received by all. During these performances, the club took advantage of the tremendous talents of John

Snyder, "Oscar Madison"; William Waste, "Felix Unger"; Carol Craft, "Gwendolyn Pigeon"; Claire DiMeo, "Cecily Pigeon"; and those four poker players—A. J. Heidkamp, Douglas Robinson, George Bernard, and Jonathan Goldblith. The Globe Competition kept the club busy in March, followed by a hectic, but fantastic May which included the fabulous Stratford Trip. The hours of dedication and hard work are evident in the productions, and the Drama Club did its usual excellent job of offering the best in the dramatic arts and instilling a thorough appreciation of the theater. A banquet concluded the year. We must congratulate the Drama Club for doing its job so well.

The Library Club is a service club whose members learn how a library functions. Any girl who is willing to volunteer some of her study hours is welcomed to join the club. The girls receive valuable experience for future work at a college library or at the Public Library. This club is of great assistance to fellow students and faculty. Mrs. Grant is the club's advisor.

audio visual club

The main function of the A.V. Club is to supply teachers with film materials. These films have been very useful in teaching many subjects. Their library contains over 500 films and several projectors. The A.V. Club not only gives to students instruction in running the projectors but also provides operators for outside organization. This club has been a service to both M.H.S. and the community.

D.E.C.A. (Distributive Education Clubs of America) is a very worthwhile organization to many Melrose High School Students. This program enables students to gain experience in the business world by combining classroom learning with job experience. For many students, D.E.C.A. has been an asset in obtaining a job after graduation.

The purpose of the Girl's Athletic Association is to promote both intramural and interscholastic sports and to strengthen the quality of sportsmanship in each of its members.

Under the leadership of Ellen Christoforo, President; Myrna Johnston, Vice-President; Diane Kiddie, Secretary; Gail Troughton, Treasurer and class captains Beth Cutter, Sue Famolare, and Suzanne Garden, the G.A.A. was quite active in our senior year. The club produced a Freshman Introductory Program entitled "Welcome to G.A.A.," a show for all members entitled "What do I get for my quarter?," a Student-Faculty Volleyball game, and the G.A.A. Banquet.

Intramurals are held in basketball, tennis, volleyball, and gymnastics. An interscholastic program is offered in field hockey, basketball, tennis, and softball. Other clubs or activities also sponsored by the G.A.A. are Tumbling Club, Leaders' Club, Modern Dance Club, Majorettes, and Cheerleaders.

The annual candy drive and SPIRIT button sale were again quite successful. The profits are used toward a scholarship for an active worthy member. The annual G.A.A. Banquet is held each year in May at which time trophies are awarded to deserving seniors: Most Athletic, Outstanding Sportsmanship, and All Around Service to G.A.A.

"Got Spirit? Let's hear it!" Football, hockey, basketball (sometimes even soccer and field hockey!)—the cheerleaders are there, backing up the teams and cheering them on to victory after victory. This year's squad was captained by Kris Kotowski and advised by Mrs. Kearn and Miss Wragg. They put in l-o-n-g hours of practice, starting in the spring after the girls are chosen for their ability, pep, voice, poise, and character. The fall brings more practice, exciting football games, delicious brunches, and spirited rallies—one before the season opens, and one the night before "Hoague's Heroes" meet their arch-rival Wakefield on Thanksgiving. Then comes the hectic winter season, bringing even more activity; each week the girls cheer at two basketball games, two hockey games, and still more PRACTICE—"Can we really have Sunday off?"

Despite the sore throats and aching muscles, the time and energy spent, the nerve-wracking preparations for rallies, and other "trials and tribulations" ("But five kids can't be sick at once!"), any cheerleader will tell you that cheering has been one of the most fun and rewarding activities of her life. Just ask "Are You Satisfied?" "Satisfied!"

majorettes

First Row: C. McBride, L. Mutti, S. Defreitas, C. Roland. Second Row: J. Izzo, J. Blacher, V. Howe, J. Murphy, B. Cutter

Through the diligent efforts of the co-captains, Sharon De Freitas and Lisa Mutti, the M. H. S. majorettes have not only given the half-time football shows new excitement and enjoyment, but also have added much charm to the football field. After endless hours of practice and the retouching of routines, the squad proved to be great entertainment and a success on and off the field. Rallies, pre-game brunches, spring concerts, the planter, the big Thanksgiving Rally, F block studies, tryouts, and the Indian headdresses are all part of the fun of being a majorette. The majorettes demonstrate skill and agility in every twirl they make and every show they perform. At the rallies the majorettes' enthusiasm helped arouse school spirit and contributed to several of our team's wins. Their colorful headdresses and costumes enhance the enjoyment of the spectators. Definitely we all know that the hard working majorettes are an important and indispensable facet of life at M.H.S. and they have helped make our four years at high school memorable and successful!

April 10, 1970 seemed as though it would never come for sixty members of our class. On this date the British Travel Club, along with their advisors, Mr. & Mrs. Cole, Mrs. Gardner and Mrs. Whitworth, embarked for their tour of the British Isles. This club, a relatively new one at M.H.S., is always popular and evidently establishing a wonderful tradition with their European trip. Friday activity periods prepared those who had not studied English history. The week spent in the capitol city was definitely a highlight of the two week tour. The travelers visited the famous landmarks of St. Paul's Cathedral, Buckingham Palace, the Tower of London, and Westminster Abbey. Time was also allotted for day trips and free afternoons to explore the city at one's own pace. Students agree that many contrasts made their voyage very interesting. Not only did they spend time in the modern cities such as Edinburgh and London; but also at the prehistoric excavations at Stonehenge and Shakespeare's birthplace, Stratford-on-Avon, where the travelers visited Anne Hathaway's cottage. The trip would not have been complete without a visit to Melrose Abbey. A brief stop was made in Paris and Versailles as the weary, but grateful group headed home. They all acclaim it as one of the most memorable events of their high school years.

thistle

The Thistle, the school's literary magazine, finished its fourth year with its fourth publication. The staff, with editor-in-chief Adrienne Sawler and advisors Mrs. Prescott and Mrs. Steele, worked throughout the year to select original short stories, essays, poems and art work by students from all grades. Contributions reflect hidden student talent; all are spontaneous, and voluntary without the usual pressures of classroom assignments.

The club started its year early by sponsoring the annual Book Fair as a fund raising project. The result of their diligence—a masterpiece of student creativity.

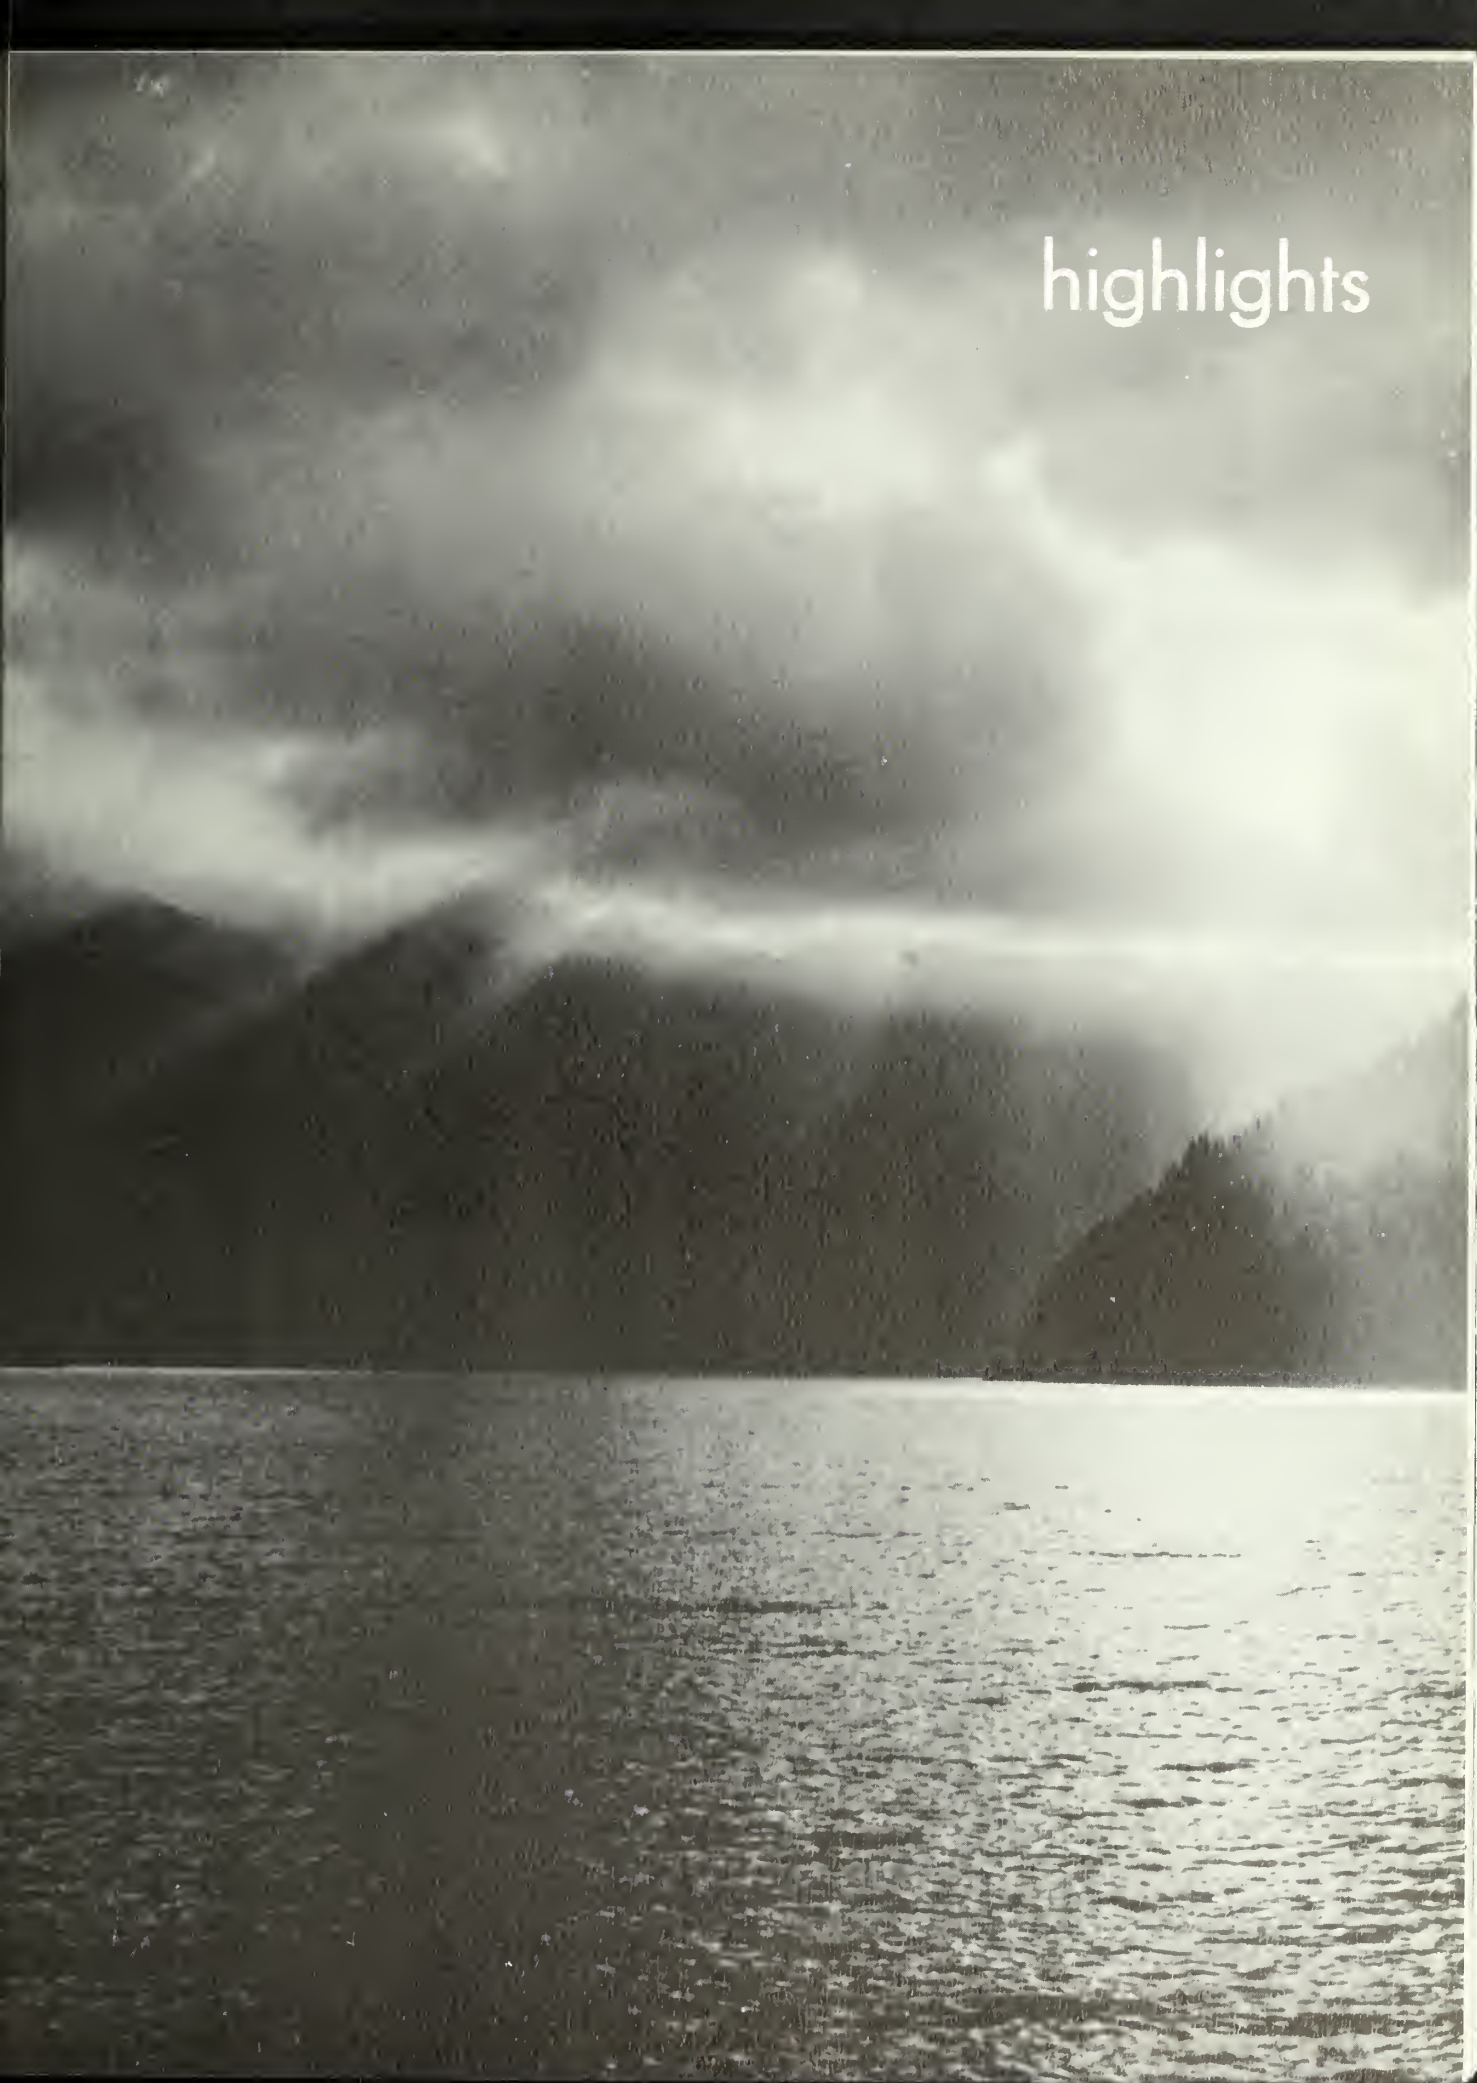

.... Poems are writ by fools like us
But only God can make a Thistle ...

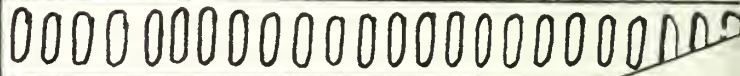

With apologies to Joyce Kilmer.

football

With a season record of eight wins and only one loss, not much has to be said about Melrose High's outstanding 1969 football squad. The only loss Joseph Hoague's heroes suffered was at the evil hands of Winchester. The Raiders launched their terrific season by trouncing Stoneham and followed by rolling over Lexington, next Belmont, and Concord too! Then their tremendous streak was marred by their loss to league champs Winchester. After this "heartbreaker," the Raiders bounced back or "crush" Lynn Classical, Newton South, and also Reading. The cycle was set and the scene ready for the tilt with arch-rival Wakefield. Easily walloping the Warriors, the Red Raiders captured the second place title in the Middlesex League.

This was perhaps the most spirited and determined team in Melrose history and leading this fine club was All-Scholastic Captain John L. Sullivan. Special recognition should also be given to Tony DePaulo, Richard Harris, and Miff Skane, and to every end, center, tackle, guard, quarterback, halfback and fullback who succeeded in giving M.H.S. a super '69 season.

field hockey

This year's field hockey team was one of the most outstanding in M.H.S. history. Coached by Mrs. Kearn and led by co-captains Tricia Browne and Leslie Curry the varsity and J.V.'s compiled identical records of 7 wins, no losses, and one tie. Just as impressive as their record is the fact that the Melrose varsity outscored their opponents 20 goals to 3, and during the last three games of the season did not allow their rivals a single shot on goalie Jane Hosmer! High scorers were Tricia Browne, Gen Lamson, and Sue Garden. The only team to mar the varsity's record was Arlington; although Melrose dominated the entire game, the final score was 0-0.

To acknowledge their many hours of hard work and their achievement, the members of the varsity were presented with jackets at the fall sports assembly.

soccer

Although our senior year was only the second year of varsity soccer, the team has already made its mark. Coached by Mr. Driscoll, the team lost its first three games, but went on to win five of its last eight games. They beat Bryant Stratton College 3-2 after being behind 2-0 at half time, and beat Winchester, last year's champ, 2-0, amassing a league record of 4-6 and an overall record of 5-6. Three members of the team, John Baier, Nick Caiazza, and John Tai, were elected to the all-star league team, while Dennis Gerrior was elected honorary captain of M.H.S. soccer.

The team members spent several hours of practice, and we feel that the new soccer team is already an important facet of M.H.S. life and will win several trophies!

It was fortunate that the team had Norman Barry since he is a top runner. Coaches are Mr. Grant and Mr. Morrow, and Co-Captains of the team are Ronald LeBlanc and Mitchell Tow. Both coaches were satisfied with the outcome of the Junior Varsity record. Next year many juniors will return to the team and will strengthen the team's prospects for achieving the Middlesex League Championship.

winter track

Although graduation wiped out most of Coach Robert McIntyre's Tracksters, they did complete a fairly successful season with a record of 5-3-1 and ended in a three way tie for third place in the final standings. The team depended mostly on freshmen and sophomores and could hardly have been expected to compete equally against juniors and seniors. Our track team faithfully showed up for every track meet and as the season progressed, the team steadily improved. The season began with an impressive 61-25 victory over Reading and a 49-37 win over Belmont. They lost a tight meet to Woburn with a 44-42 score and also to Wakefield and Lexington. Outstanding performances were achieved by P. Buckley, R. DePetris, J. Burke, Co-Captains N. Barry and C. Gilleland, and A. Guerra. The track team did not win the B.A.A. this year and scored only 21½ points in the State Meet.

basketball

"Beat Lexington!" was the cry of this year's Melrose High School basketball team! After a disheartening loss at Lexington 72-70, Melrose struck back and demolished Lexington's undefeated streak by a score of 66-62. High scorer and spirited co-captain Don Doucette, all-around co-captain John MacDonell, Bob (Gunner) Killilea, fantastic rebounder John Paleo, fast-moving defenseman Joby McBride, superb dribbler Ed Koehler, and most improved and a great sub Dan Glynn comprised this action-packed team. Coached by Mr. Killilea, the basketball team ended the season in second place in the Middlesex League and entered into the Tech Tourney. This year's Melrose High basketball team surely provided the fans with an exciting season!

girls' basketball

The M.H.S. Raiderettes, coached by Miss Chase, completed their season with a 5-3 record. Co-Captains Leslie Curry and Ellen Christoforo and the team mascot "Muttly" kept the spirit high throughout the season. The high-scorer for this season was Nancy Jacobson, with Leslie Curry only a few points behind. Sensational guarding for the Raiderettes was produced by Karen Hichens and Donna Lacey.

The J.V. team also had a successful season with a 5-2-1 record. They were led by Co-Captains Alison Tricco and Dace Pupils.

There are many prospective varsity players to come from the freshmen girl's team which was newly formed this year to accommodate the large number of interested girls. Their Co-Captains are Ellen Jacobson and Glenda Campbell.

hockey

It was neck and neck through the entire season between three great teams: Stoneham, Wakefield, and Melrose. Because of a disheartening loss at the hands of Woburn, Melrose ended the season in second place. Coached by Mr. Hughes and captained by his son, Eddie, this year's Melrose High School team skated superbly and were eligible to play in the States. Acknowledging Eddie Hughes' terrific hockey skill, the Middlesex League voted him their most valuable player. Among our other great team members are all-star John Baier, one of our high scorers Richard Harris, defenseman Frank Marcoux, goalie Skip Murray, and other good stick handlers, Jeff Baker, Paul Sullivan, Paul Paone, Paul Chasse, and Jeff Bingham. This made for an action-packed fast-moving team.

swim team

The triumphant M.H.S. Swim Team, coached by Mr. Grant, captured the Greater Boston League with a record of 8 wins and no losses. Captained by Craig Chapman, the team faced the tough competition of B.C. High, Xaverian, Needham, and South Boston. However, Ken Meharg, Lee Nyquist, Steve Kotsakis, and Billy Foley always came through in the final relay to win these big meets and sweep onward to victory. The great depth of the team was backed by George Kwiecien and Bruce Love in the backstroke and by Billy Foley and Paul McCarthy in the butterfly. Sophomore Charles Stahley and Capt. Chapman finished 2nd and 5th respectively in the Eastern Mass. Diving Competition. This is the first time in Melrose history that one swim team has not only taken first place in the league but has also had an undefeated season. Congratulations go to Mr. Grant for his excellent coaching and to the team, his loyal followers.

rifle team

The Melrose High School Junior Rifle Club has been an active organization in the school for over twenty-five years. It is affiliated with the National Rifle Association and its coaching staff are certified instructors on an individual basis with the NRA.

This sport is open to all members of the school, both boys and girls. Firearm safety is the most important single factor taught and these principles are carried on throughout life.

Its competition is in association with the Middlesex Interscholastic Rifle League under the auspices of the Massachusetts Secondary School Principals Association.

The primary philosophies of the club are safety, markmanship, sportsmanship and good fellowship.

acknowledgments

How difficult it is for us as editors to thank all the amalgamation of sometimes anonymous faces who contributed to our LOG. We shall do our best; thus to—

MISS CATHERINE CARRABIS, for being our zany, "I'm losing my sanity" leader!

MR. WILLIAM HANLON, for his calm, factual, always available advice.

MR. ROBERT MOORE, for his technical assistance.

MR. DAVID DRISCOLL, for his management of one very important item—our money!

MR. ROY HULT, for his photography work.

MR. JOHN DOHERTY and MISS ARLENE DOHERTY, for the pictures of the Modern Dance Show, and the "piano keys."

MRS. JOHN TAAFFE, for literally letting us "camp in" at all hours.

MISS LINDA BUTLER, for her artistic contributions, especially the five cartoon "additions" to our class, and her many hours of layout work.

We say: CHEERS and THANKS!

Senior Thesis

I. Thoughts about the hereafter

(or... Is there a life after graduation?)

Seriously, graduation isn't the end, you know. It's just the beginning. And it could be the beginning of one of the most challenging and fulfilling times of your life. At New England Telephone. It could be, that is, if you want a job with a challenge as big as your ambition. We need people at New England Telephone — all kinds. People who are sincerely interested in the future.

And who are looking for more from their job than just work! Your starting salary is good and you get automatic raises. *You don't need experience!* Your advancement is tailored to your talents.

And you get excellent fringe benefits.

II. See your Guidance Counselor

She'll tell you when and where you can apply for an interview to find out what the "hereafter's" like at

**New England
Telephone**
